

DO YOU HAVE EXPERIENCE OF ABORTION?

SCOPE
ENHANCING POSTABORTION CONTRACEPTION IN SCOTLAND

CO-DESIGN SUPPORT

If you are at least 18 years old, and have experience of abortion*, we invite you to share your views in an in-person workshop in Galashiels. A £50 voucher will be offered as a thank-you for taking part.

Borders in Recovery is working with researchers from the University of Edinburgh on a project called SCOPE. The project is about working together to improve services for people who need contraception after an abortion.

We are looking for 8-10 people who are interested in having an informal discussion at a workshop with a researcher and a member of our team.

*having had or considered having an abortion, and/or having supported a friend, family member or partner who have had an abortion.
