

TEMPORARY RELOCATION OF KNOLL OUTPATIENT SERVICES

Duns Outpatients Transport Advice

Due to essential building works on the Knoll Hospital site in Duns, some outpatient services are being temporarily relocated to alternative locations. We apologise for any inconvenience caused and thank you for your understanding.

Although it remains your responsibility to make your own way to your appointments, if any changes to location impact on your ability to attend please use the contact information provided in your appointment letter to get in touch.

If you require to travel to an alternative clinic venue we have attached some information below regarding public transport options, available to these locations:

For details of Scottish Borders School Holiday dates, please refer to the Scottish Borders Council website.

Please note that there is no direct bus service between Duns and Kelso, however, below are options for patients requiring transport options to Kelso or other areas within the Scottish Borders:

PINGO BERWICKSHIRE

Pingo is an on-demand bus service brought to you by Borders Buses. Pingo allows customers to book a shared journey not served by an existing bus route. It operates within the Berwickshire area and is perfect for joining up journeys, integrating with the existing transport network, and providing bus travel where a service doesn't exist.

Allocated pick-up and drop-off points are established in every town in Berwickshire (Greenlaw, Duns, Chirnside, Eyemouth, Berwick, Coldstream). The PINGO service will prioritise these as a destination to link passengers into key services, amenities and the existing fixed route bus services.

Residents who have mobility issues may receive a 'door to door' service which can only be booked via the call centre on **01289 385 506**.

BORDERS / BERWICKSHIRE WHEELS

Borders Wheels is a charity based in the Scottish Borders, providing Community Transport across the Borders from four locality bases: Berwickshire, Galashiels, Teviot and Tweed. The Borders Wheels Community Transport Service operates a number of wheelchair accessible vehicles, driven by volunteer and paid drivers.

The service is available for individuals who need help with transport and non-profit making community / voluntary groups. Borders Wheels exists to offer individuals, agencies and communities to access affordable travel, and provides lots of transport for individuals with low mobility, looking to get to medical appointments, meetings, events and social outings.
